New Pricing for MS-9050UD and MS-9200UDLS

February 26, 2018

Dear Valued Customer,

With the upcoming release of the ES-50X and ES-200X fire alarm control panels from Fire-Lite, Honeywell Fire will be implementing new pricing on the legacy MS-9050UD and MS-9200UDLS panels effective **Monday, March 26, 2018**. As of this date, pricing for the legacy panels will be made consistent with that of their replacement models. The legacy panels will continue to be offered through April 30th and after that date will only be available while supplies last.

We appreciate your business and continued support,
